

GIBRALTAR

Wayne County Transit Millage: Proposed Routes

Public transit is on the ballot on
Tuesday, August 4, 2026.

Who is SMART?

Suburban Mobility Authority for Regional Transportation (SMART) is the public transit provider serving communities across Wayne, Oakland and Macomb Counties.

Who uses SMART?

A parent getting to a shift on time. A senior getting to medical appointments and grocery stores. A student getting to class or job training. A sports fan getting to a Tigers game.

What is a transit millage?

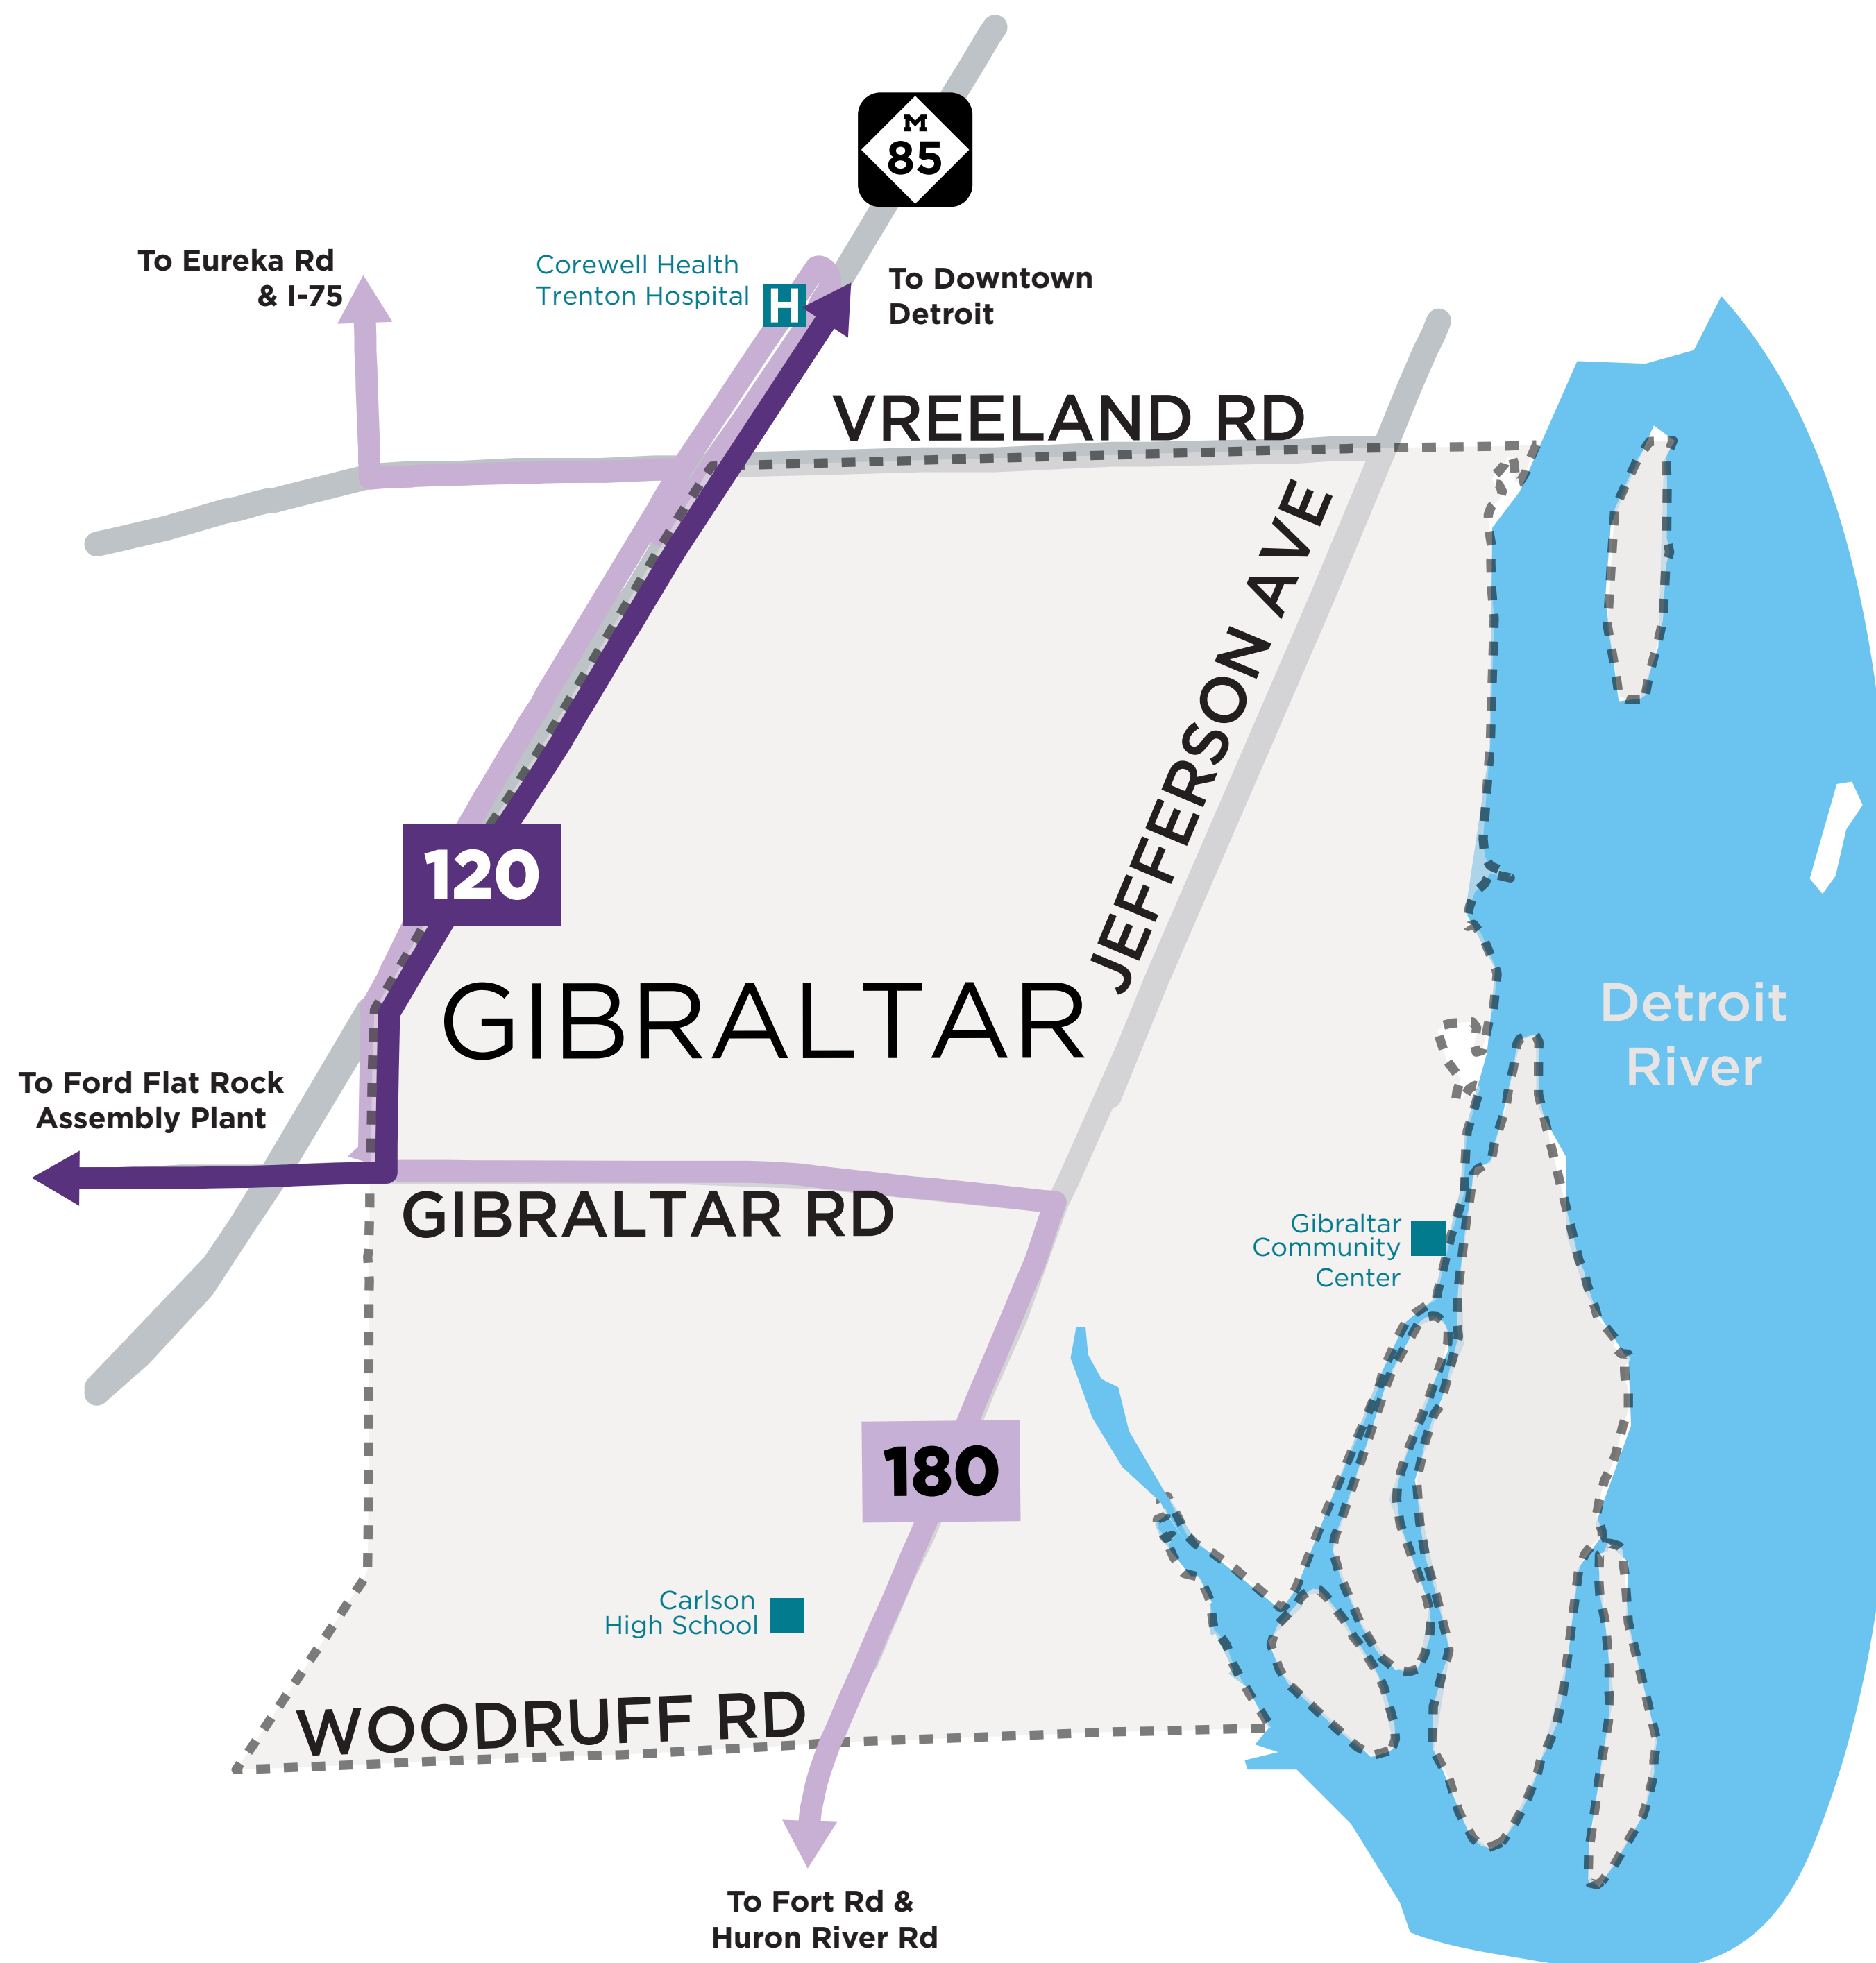

A property tax that funds public transportation. About \$8 per month for a typical \$200,000 home value.

What would the millage support?

A new Wayne County transit millage would provide about \$50 million annually over 10 years to fund bus service, on-demand transit, and community transit providers.

What does this map show?

This map shows proposed routes and is for discussion purposes only. It does not represent final service decisions. When SMART considers service changes, we start with how people are using the system today and what their everyday needs are. The goal is to make service reliable, practical, and safe within the resources available.
